STJ Forensics Team Wins District Championship

Saint James School's Forensics Team won the District Forensics Tournament on Feb. 18-19, as well as the individual events portion of the match, making the team the Montgomery District Champions.

Students Jeronne Carter, Reed Chisenhall, Kaitlyn Theriot, Nathan McElvy, Hayden Cavanaugh, Maya Smith, and Sahil Patel qualified for Nationals as a result of their performances at the competition. Nathan McElvy won First Place in U.S. Extemporaneous, Maya Smith won First Place in Dramatic Interpretation, and Sahil Patel won First Place in International Extemporaneous.

In addition to the above honors, STJ students had four 2nd place wins, three 3rd place showings, three 4th place positions, and two 5th place showings, for an overall outstanding performance.
