On May 5, 2017, the 28th Annual FLIMP Festival was held at The Montgomery Museum Of Fine Arts. The STJ middle school students participated in the annual chalk art competition in the parking lot of the museum.

Greyson Cruse, Logann Dean, Miles Hinton and Daniel Kang
THE SAINT JAMES MIDDLE SCHOOL STARTED A ROBOTICS TEAM IN THE FALL. OUR TEAM CONSISTS OF 13 MEMBERS IN GRADES 6 - 8. THE ROBOTICS TEAM IS A PART OF THE FIRST LEGO LEAGUE ORGANIZATION. THEY USE LEGO PIECES AND PARTS TO CONSTRUCT ROBOTS AND MODELS. THE ROBOTS HAVE TO COMPLETE MISSIONS USING THESE MODELS WITHIN A CERTAIN TIME FRAME. THE ROBOTS ARE AUTONOMOUS - MEANING THEY ARE PROGRAMMED THROUGH AN IPAD AND THEN MOVE INDEPENDENTLY. THE TEAM ALSO HAS TO COMPLY WITH THE LEGO LEAGUE’S CORE VALUES AND CREATE A PROJECT TO PRESENT AT THEIR COMPETITION.
Trojan Day is a day where the entire Saint James School comes together and enjoys fun filled activities with one another. On this day we have two teams which are Blue and Gold that compete against each other to see who will win. That day is where we make new and lasting memories. This year the score was very close, but the Blue team won. So they have the honor of having their flag fly over the football field until next Trojan Day. There were many fun activities including, Tug of War, Relays, and many more!!!!!
END OF THE YEAR QUESTIONNAIRE
